Dear Sir and Madam

I am excited to apply to the Web Developer position at **Khmerdev** which posting on linkedin website. My background as a Software and Web Developer, along with my education in Computer Science, have allowed me to attain a strong foundation of technical skills. In addition to my Web Development skills, I also possess a great eye for design, and this is what I believe separates me from the rest of the competition.

I am highly skilled with HTML, CSS, Javascript, PHP, ASP.NET, SQL, Mysql, laravel, bootstrap framework and CMS wordpress. I have over three years of experience with each of these technologies, and I am eager to learn even more technologies to sharpen my skillset. In addition to web technologies, I do have a passion for mobile technologies as well. I've worked on a few android mobile side projects while I am taking Master class in IT Engineering.

In addition to the skills I have acquired, and the extensive computer science education I have possess, I also have a great track record of success.

I'm confident I can be a great addition to your company, and I would love the opportunity to discuss the opportunity with you further. If you have any questions about my background, please do not hesitate to reach out to me at menchomneau@gmail.com or Tel: 015 534 040. I look forward to hearing from you!

Sincerely,

Men Chomneau
